**NSRT is not responsible for speaker cancellation/changes or transmission difficulties.**

**INDIVIDUALS NOT IN ATTENDANCE WITHIN 10 MINUTES OF EACH LECTURE START TIME WILL NOT RECEIVE CREDIT FOR THAT LECTURE.**

**As a courtesy to others, we ask that you turn off cell phones and pagers, and refrain from extensive, disruptive conversations during the sessions.**

**If repeated disruptive offenses are observed by the site moderators, you may be asked to leave the session. In which case, credit for that particular session will not be granted.**

**“Communicating Effectively:  
Putting the 4 C’s in Action”**

Bev Harvey, M.Ed., R.T.(R)  
Dean, Continuing Education  
Southeast Community College / Lincoln, NE

*Most of us struggle with ensuring that what we mean to say is actually received. This session will review the 4 C’s of communication and how to put them into action.*

**“Virtual Lab #3 Contrast, Detail, Distortion  
and AEC Density and Accessories”**

Connie Lyon, RT(R)(QM)  
Radiography Consultant  
Lyon Consulting & Services, Inc. / Aurora, NE

*There is more to producing a quality radiography than kV and mAs. Film contrast, detail, distortion & automatic exposure control will be reviewed and discussed. Does digital imaging respond to changes in the same manner as film imaging? Find out.*

**“I Gotta Pain in My Back”**

Dan Gilbert, MEd, RT(R)(CV)(MR)(CT)(QM)  
Radiography Program Director  
Regional West Medical Center / Scottsbluff, NE

*Spine radiography can be very complex and confusing. The anatomy and function of the spine will be reviewed; as well as a review of various spinal pathologies and how they present radiographically.*

**“Nutritional Strategies for Radiographers”**

Heather Caspersen, MA  
Certified Health Coach  
Family Resources of Greater NE / Grand Island, NE

*Some days you’re up and some days you’re down. Did you ever think that it could be what you eat? The role of food and how it impacts our physical and mental health, our mood, our mental acuity and our overall energy level will be discussed.*

## NSRT NEWS

### Education Saturday Site Locations

Education Saturday sessions will now be broadcast via webstreaming. Due to documentation and accreditation purposes, individual viewing of the February 18 broadcast will not be possible. If you wish to receive this session at a site closer to you, please contact the Executive Office. We ask that there be a minimum of 4 registrants requesting an additional site. You will need to provide us with contact information for the I.T. personnel at the site.  
(nsrt@charter.net or 308-382-3381).

### Keep our Mailing List Current
